

I DON'T WANNA WAKE UP

Musica di Giuliano Montori - Testo di John Kruth

Feels like, feels like the sun
Feels like the winter's almost gone
There's a melody in everything they say
So listen to the song of melting snow

Feels like, feels like the sun
Feels like a new day has begun
There's a rhythm in everything that breathes
So listen to your heart a pounding babe

I don't wanna wake up
I don't wanna wake up now
Without my lover
I don't wanna wake up
I don't wanna wake up now
Until it's summer, hey
And we're drifting away
Over waves of emerald, hey
And we're drifting away
Over waves of emerald ...

Feels like, feels like the sun
Feels like I'm not the only one
There's a plan behind the chaos some folks say
So forget about the tricks that your mind plays

I don't wanna wake up ...

Another wasted night
Staying up till dawn
And now all the birds are singing

I don't wanna wake up ...
