

SOMEONE SOMEWHERE

Musica di Giuliano Montori - Testo di John Kruth

When you don't know what to do with yourself
Forgotten like a book on a shelf
Like an old winter coat you once wore
Pick your broken heart up off the floor

Now the leaves are falling down
On the cold wet ground
And I see you walking by
And I wave to you

There must be someone somewhere
There must be someone somewhere
There must be someone somewhere
Who feels this pain

Well I don't know what to do with myself
I wake up every day, in this mess
I'm looking for a way out of this game
And laughing blue-eyed girl who feels the same

The sun is coming up
In my coffee cup
When I see you on the train
What can I say?

There must be someone somewhere ...

I don't know what to do
I'm feeling so in love with you
Maybe I'll find you tomorrow
Or maybe today

There must be someone somewhere ...

There must be someone somewhere
There must be someone somewhere
There must be someone somewhere
Who feels the same
