

BROKEN HEART

Musica e testo di Giuliano Montori

When you go
When you leave
I can hear the sound of my loneliness
And the world all around
It's a place a little more bitter
Like the lips of someone else's girl

Life goes on
Someone said
But your face is everywhere

And to heal my broken heart
I will go to the river
To throw stones in to the water
With my dog

When I wake up in the morning you're the first thing on my mind
And in the night you fill my dreams
But I can no longer live with this broken wheels
And I know I have to let it go right now

Every place
Where I go
Now is grey like my soul

And to heal my broken heart
I will go to the river
To throw stones in to the water
With my dog

And to heal my broken heart
I will go to the river
To throw stones in to the water
With my dog
